Job Title: Professional Services Assistant (Audit, Accounting and Tax) School Leaver Apprentice Programme – 3 posts

Contract: Permanent

Salary: Competitive

Employer:

RSM is a leading global provider of audit, tax and consulting services to middle market leaders. As an integrated team, we share skills, insight and resources, as well as a client-centric, collaborative approach that's based on a deep understanding of our clients’ businesses.

Work Environment:

You will be working in our busy Edinburgh office with some travel to client sites.

What might a day in this job look like?

Our Professional Services Assistant (Audit, Accounting and Tax) School Leaver Programme will give you all the skills and support you need to unlock a future that's packed with opportunities and new experiences. You'll enjoy a powerful combination of on-the-job learning and structured training - not to mention an impressive client list to work with.

When you join our team, you'll discover a culture that nurtures individuality and an environment where everyone is supported to reach their potential. With us, you'll always be moving forward.

What will I learn?

- Our Trainees play a key role in supporting the work described above and gain tremendous experience to provide top quality career development.
- You will benefit from on-the-job training from more senior members of the team, as well as joining peers on internal training courses that will develop you as an individual.
- You will become involved in client work very quickly, initially working as part of a larger team – perhaps taking responsibility for specific audit tests or aspects of the audit file.
- The depth of services and clients you will be exposed to early in your career will provide you with a jump start into the varied world of accountancy.
- We will expose you to the skills you require to become a true trusted advisor to your clients in the future.
- While gaining real hands-on experience, your development in the role will be optimised by training from the company’s highly regarded dedicated team.
- As well as internal training and on-the-job mentoring you will have the opportunity to train towards the AAT or ATT qualification, with support provided post-qualification ensuring you are well equipped to enjoy a successful and satisfying career with the business.

What Qualifications / Qualities are required?

You will need 112 UCAS (new tariff) across 3 A Levels or 104 (new tariff) across 4 Highers/Advanced Highers. UCAS changed their points system so under the old tariff it would be 280 or 260 points respectively.

At RSM, we don't just look for good exam results. We think passion, personality and originality are just as important.

Although this role is advertised for the August 2019 intake, it's a possibility that your start date could be prior to this. We can discuss this at interview if of interest.

Closing Date: Friday 30 November.
The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: IT Management for Business - Graduate Level Apprenticeship 2019 - 9 posts

Contract: 4 Years

Salary: £16,479 per annum starting salary plus company benefits

Employer:
At CGI we’re offering you a unique opportunity to be part of something exciting and earn while you learn on our Edinburgh Napier Graduate Level Apprenticeship. We’re a company that each day enables the transfer of £3 trillion, protects against 43 million cyber-attacks, drives two thirds of the world’s SMS messages, support the missions of more than 200 satellites and who employs 74,000 professionals from hundreds of locations worldwide. Certified as a Top Employer for its excellent HR practices, CGI is committed to being an equal opportunity employer and is a disability confident organisation.

Work Environment:
The best thing about joining us is that, while you may start working in one area, the opportunity to move internally is huge, so you can take control of your career from your first day. To support you, you will have designated managers who will look after you on a day-to-day basis and be on hand to support you with your career development and professional conduct at CGI. You will also have a ‘Buddy’ who is a current or graduated student of a school leaver programme to help you with anything else you may need.

What might a day in this job look like?
Right now, we’re on the lookout for talent – students and school leavers, people who are passionate about technology and hungry to learn. You’ll be proving yourself from day one – solving problems, taking responsibility and making decisions. And with open-ended prospects for advancement, you’ll have every opportunity to reach the top.

Due to the nature of our business, you work on ‘projects’. This means you have the opportunity to work across a wide range of roles, industries and locations, there is no ‘typical day’. It really does vary at CGI and that’s the exciting thing, it is up to you to shape and develop your career in the direction you want to go with the support of others.

What will I learn?
Join our programme and you’ll study towards a BSc (Hons) IT Management for Business (ITMB), one day a week at Edinburgh Napier University, whilst spending the other four days a week developing your career on real projects at CGI. You can shape and develop your career throughout the course of the programme then continue with us after graduation.

With our sponsorship, you won’t have to pay a penny in tuition fees. You’ll also benefit from a competitive starting salary and all the support you need to succeed. We’ll even provide the course resources and materials required, so there’s no need to worry about textbooks either and you can use the laptop you are given when you join CGI to use at University. Individuals who participate in the scheme are able to access the same learning opportunities as those who go down the traditional route of direct entry into college or university.

What Qualifications / Qualities are required?
The preferred requirement is 4 Highers at grade B or above including one in Maths, Physics or Computing, unless you can show strong technical (programming/development) ability through work experience or extra-curricular activities. Also, at least 7 National 5s at grade 1-3 including English or Maths. Equivalent qualifications are accepted.

Closing Date:
Friday 21 December.
The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Ingentium is a competitive intelligence and intellectual property (IP) advisory firm based in Edinburgh, UK. Our focus is on commercial IP and strategy matters affecting organisations primarily operating within the agriculture, animal health and the broader life sciences sectors. Nonetheless, as experienced specialists, we can meet a wide variety of IP needs, and have worked with businesses in other sectors as well. From conducting independent IP valuations, auditing and assessing IP portfolios, through to carrying out licensing exercises for IP-backed technologies and creating data-backed IP and business strategies, ours is a comprehensive service. One thing that sets us apart from other consultancy firms is our extreme dedication to ensure that our clients are always happy and find value in the services we provide. This is why we have a client retention rate exceeding 95%

Work Environment:
A few things you should know about working with us – our office is based at the Shore in Edinburgh. We love a friendly, flexible and non-stuffy working atmosphere and actively promote this. That said, we are firm believers of providing a super-professional service to all of our clients and therefore anyone working with us must look the part. A positive outlook, personal hygiene and dressing for success is a must!

What might a day in this job look like?
We are currently seeking an Executive Assistant to join the Ingentium team on a part-time basis (2 to 3 days per week). An Executive Assistant plays a valuable role in assisting with the important work done at Ingentium. This includes:

- Serving as the welcoming face of Ingentium by answering phone calls, and greeting clients as required;
- Helping in the scheduling (and hosting) of meetings, as well as booking travel;
- Preparation of meeting minutes as well as expense reports;
- Providing support on specific projects, based on needs;
- Promoting our activities on social media and other marketing outlets;
- Providing general administrative support to the Ingentium team.

What will I learn?
Working with Ingentium will help you develop your skills/knowledge in:

- Communication, as you will work with an international team as well as international clients;
- Intellectual property and business strategy, as you will play a support role in projects;
- Various productivity software commonly used within businesses, including e.g. Microsoft Visio, Photoshop, etc.
- Multi-tasking and project management as you will be supporting various team members and various projects in parallel;
- Working in a professional environment.

Furthermore, at Ingentium we believe in helping develop our staff’s skills through formal training and always encourage employees to make use of various paid-for online personal and skillset development courses which are relevant to the business.
What Qualifications / Qualities are required?

In order to be a successful Executive Assistant, there are a number of key personal qualities we will want you to have (and we can’t emphasise these enough):

- First and foremost, you must enjoy a challenge and feel comfortable working independently and taking initiative as and when required. We really like creative freedom and a can-do attitude;
- You must have excellent work ethics and a commitment to always bringing your best to anything you do;
- Flexibility and agility; Your tasks will not be the same every day – but we think this keeps things interesting!
- Trustworthy and dependable; we work with sensitive information and deliver outputs that the team and our clients depend on. Therefore, anyone joining us as an Executive Assistant will need to be dependable and have an eye for detail!
- Energetic and friendly demeanour; because no one likes a grouch; and
- Good interpersonal and clear communication skills.

In terms of experience and skillsets, we believe that an interest in the sciences or business would be useful – but this is not essential. If you feel your experience is not relevant to what we do – we still want you to get in touch! We believe that having knowledge or skills using business communication and productivity software, such as MS Office, or having knowledge around IT, marketing or business administration will be extremely valuable!

Job Title: KPMG360° Programme

Contract: 3 or 6 years depending on the career path you take

Salary: Competitive

Employer:

KPMG in the UK, is part of a global network of firms offering Audit, Tax & Pensions, Consulting, Deal Advisory and Technology services. We work with clients, from small start-ups to multinational organisations, helping them to solve some of the most complex business challenges.

Work Environment:

Being part of KPMG means being part of our vibrant community. This sense of community will be apparent from the moment you join us. Our colleagues come from incredibly diverse backgrounds, but all share a natural curiosity and a desire to work together. You'll be encouraged to bring your own unique perspective, and we'll support you every step of the way to develop your talents and achieve your potential.

What might a day in this job look like?

On our KPMG360° Programme, starting in autumn 2019, you'll have the chance to rotate around different business areas and teams, providing you with broad experience and insight into our firm, before you choose an area to specialise in.

You could work as part of our Audit teams learning how to do bank reconciliations, develop your client communication skills within our Tax & Pensions teams, or build your business knowledge within our Advisory teams. This programme will last three or six years, depending on the career path you decide to take.

You'll earn a salary and be supported to achieve a professional qualification, following the study pathway that's right for you and your career ambitions. We'll give you access to KPMG employee networks, societies, and sports and leisure clubs, as well as the opportunity to get involved in volunteering activities that give back to communities.

What will I learn?

As a KPMG apprentice, you'll join ‘The Academy’ – a unique learning community that unites all of our apprentices and graduates across the UK. It will help you make connections not just for today, but for your career ahead. You'll have access to wide-ranging training programmes, and the chance to join our employee networks, societies, and sports and leisure clubs, as well as get involved in volunteering activities that give back to communities.

• First year: Once you join the programme you will have regular conversations about your career. Your foundation year will allow you to make an informed choice about your career path going forward. You'll also complete the AAT Level 3 qualification
• Second and third year: Completion of the AAT Level 4 combined with longer placements will deepen your industry and technical knowledge.
• Fourth, fifth and sixth year: You will decide whether to specialise in Audit, Tax, Consulting or Deal Advisory and your qualification studied will reflect this decision.
• Seventh year: you will be eligible to be promoted to Assistant Manager.

What Qualifications / Qualities are required?

Within our recruitment process, we look for more than just your academic results. This wider perspective helps us ensure that we are giving you the best opportunity to demonstrate who you are and your potential. Learn more about applying to KPMG.
As a general rule, you'll be expected to meet the following requirements:

- A minimum of five National 5s at grades A – C in both Maths and English (or equivalent qualifications)
- Equivalent of 104 new UCAS points under the 2017 tariff points at Higher/Advanced Higher level.

For more information about our programmes, please click here.

Job Title: Children and Young People – Modern Apprenticeship

Contract: Full time up to 18 months

Salary: National Apprenticeship Wage or above

Employer:

Training for Care is an educational charity specialising in social care and childcare training for over 30 years and recruits on behalf of a number of different childcare employers across Edinburgh. We recruit on a continuous basis and run programmes throughout the year. The next programme starts on Friday 25 January 2019.

Work Environment:

You will be employed in a private nursery as part of a team working with 0-5 year olds. Nurseries are fun, exciting and caring places to work with lots of different play activities on offer to create a stimulating and enjoyable learning environment for the children, both indoors and outdoors, combined with rest and relaxation time too. We also have links with many after-school clubs, if you prefer to work part-time with older children in a less structured setting.

What might a day in this job look like?

A typical day would include planning and setting up a wide range of play activities to help promote the children’s physical, intellectual, language and social development plus other tasks such as preparing snacks, ensuring the environment is safe for the children and some cleaning and clearing up. You will be interacting with and supporting the children and responding to their various needs.

What will I learn?

You will learn the on-the-job skills and competences required to achieve the SVQ Level 3 in Social Services (Children and Young People) at SCQF Level 7. You will also receive underpinning knowledge inputs, on either a day release or evening tutorial basis, plus regular SVQ portfolio support from your assessor who will also come out to visit and observe you in your workplace. You will be required to demonstrate Core Skills in ICT and Numeracy at SCQF Level 5.

What Qualifications / Qualities are required?

To be eligible you must be between 16 and 19 years of age (you can apply until age 29 if you are disabled or care experienced) and you should have, or expect to achieve, a minimum of 3 National 4s or 5s. Although previous experience is not required, some baby sitting or school work experience with children is helpful. The ability to demonstrate a genuine commitment and desire to work with children is most important, and reliability, ability to use initiative and good interpersonal and communication skills are all essential.

Closing Date:

Friday 11 January 2019.

Job Title: Manufacturing Technical - Modern Apprenticeship – 8 posts

Contract: Four years, starting in autumn 2019

Salary: Competitive starting salary

Employer:

Leonardo is an international leader in electronic and information technologies for defence systems, aerospace, data, infrastructures, land security and protection and sustainable ‘smart’ solutions. We are globally renowned and are continually expanding, offering exciting opportunities to talented people who want to work at the forefront of our technology. Across our technical, engineering and business functions you can look forward to working with highly skilled professionals that are passionate about their work.

Work Environment:

Leonardo’s four year Manufacturing Technical Apprenticeship provides a wealth of learning and development opportunities including an HNC in Engineering systems, SVQ Level 2 (PEO) and SVQ Level 3 (Engineering technical support). Working with world-leading specialists, you will increase your technical skills and capability, and develop your academic and practical understanding of the engineering lifecycle.

Leonardo values its people and we reward commitment with a competitive remuneration and flexible benefits package including:

- Competitive starting salary
- Annual incremental pay increases
- 3 performance related pay reviews in the two years following your apprenticeship
- 33 days holiday and flexible working arrangements
- Pension scheme (Contributory)
- Cycle to Work initiative
- Free gym membership.

A career in the defence industry rewards over 162,000 people and generates a £22billion turnover. Come and be a part of a community and work with some of the most talented engineers in the UK on some of the most exciting projects around.

What might a day in this job look like?

You will undertake a series of three-month rotational placements in the methods of testing industry leading radar and laser systems – covering Electronic Testing; Laser Testing; Radar Testing; Industrial Engineering; Test Solutions.

During the rotational placements you will learn how to test complex electrical and mechanical systems to ensure they are safe and reliable. An example of this is when you undertake a placement in our state-of-the-art environmental test facility where you will be testing systems under various environmental conditions including altitude, temperature, humidity and vibration. In other departments you will be office based, looking at our manufacturing processes and how they can be refined to reduce cost, or improve build quality. The rotational placement plan will truly give you a flavour of all aspects of engineering verification and test.

You will be working within cutting-edge facilities and there may also be opportunities for travel between the company’s UK sites and to meet with colleagues, customers and suppliers.

What will I learn?

Years 1 and 2:
During your first five months you will be attending college full-time to complete an SVQ Level 2. Once back on-site, you will conduct rotational placements where you will gather real work evidence such as written logs describing day-to-day tasks completed and highlighting the key engineering competencies you have demonstrated. The SVQ Level 3 will require you to complete a folder of this evidence, demonstrating your development into a well-rounded technician/engineer through on-the-job training and are gaining the essential practical skills to succeed. During this time, you will also be attending college on day release to gain the academic qualifications required by the Apprenticeship framework.

Years 3 and 4:

Having gained broad experience across Leonardo, you will undertake a final placement and further your academic study to HND level. These activities will be focused on your area of specialism and the on-the-job training will enable you to gather the final evidence required for the SVQ. Beyond the programme there may be the opportunity for you to further your academic achievements based on your talents and capability and needs of the business.

What Qualifications / Qualities are required?

You must have (as a minimum) the following academic qualifications:

2 Higher Grades (or equivalent):
- Mandatory: Mathematics (A-C) and Physics (A-C) or Engineering Science (A–C)
- Plus another Higher subject, preferably a technological subject e.g. Graphic Communication, Product Design, Craft & Design, Tech Studies, Computing etc. (A-C)

**Job Title:** Manufacturing – Modern Apprenticeship – 8 posts

**Contract:** Three years, starting in autumn 2019

**Salary:** Competitive starting salary

**Employer:**

Leonardo is an international leader in electronic and information technologies for defence systems, aerospace, data, infrastructures, land security and protection and sustainable ‘smart’ solutions. We are globally renowned and are continually expanding, offering exciting opportunities to talented people who want to work at the forefront of our technology. Across our technical, engineering and business functions you can look forward to working with highly skilled professionals that are passionate about their work.

**Work Environment:**

Leonardo’s three year Manufacturing Apprenticeship provides a wealth of learning and development opportunities including an NC in Engineering Systems, SVQ Level 2 (PEO) and SVQ Level 3 (Engineering technical support). Working with world-leading specialists, you will increase your technical skills and capability, and develop your academic and practical understanding of the diverse world that is manufacturing and supply chain.

Leonardo values its people and we reward commitment with a competitive remuneration and flexible benefits package including:

- Competitive starting salary
- Annual incremental pay increases
- 3 performance related pay reviews in the two years following your apprenticeship
- 33 days holiday and flexible working arrangements
- Pension scheme (Contributory)
- Cycle to Work initiative
- Free gym membership.

A career in the defence industry rewards over 162,000 people and generates a £22 billion turnover. Come and be a part of a community and work with some of the most talented engineers in the UK on some of the most exciting projects around.

**What might a day in this job look like?**

You will undertake a series of three-month rotational placements – covering Mechanical Assembly, Electromechanical Assembly, Electro Optic Assembly, Environmental Facility, Material Supply and Logistics, Master Production Scheduling, Industrial Engineering and Machine Shop – that will springboard you into the world of manufacturing and teach you how to build and test industry-leading radar and laser systems. You’ll experience how we manage the flow of material through our supply chain and how we ensure the process is as efficient as possible.

You will be working within cutting-edge facilities and there may also be opportunities for travel between the company’s UK sites and to meet with colleagues, customers and suppliers.

**What will I learn?**

Years 1 and 2:
During your first five months you will be attending college full-time to complete an SVQ Level 2. Once back on-site, you will conduct rotational placements where you will gather real work evidence such as written logs describing day-to-day tasks completed and highlighting the key engineering competencies you have demonstrated. The SVQ Level 3 will require you to complete a folder of this evidence, demonstrating your development into a well-rounded technician/engineer through on-the-job training and are gaining the essential practical skills to succeed. During this time, you will also be attending college on day release to gain the academic qualifications required by the Apprenticeship framework.

Year 3:

Having gained broad experience across Leonardo, you will undertake a final placement, with on-the-job training being more focused on a particular discipline.

What Qualifications / Qualities are required?

You must have (as a minimum) the following academic qualifications:

4 National 5 (A-C) or National 4 (or equivalent):
- Mandatory: Mathematics or Physics and English
- Plus another two subjects, preferably technological subjects e.g. Graphic Communication, Product Design, Craft & Design, Tech Studies, Computing, Woodwork, Metalwork etc.

Other needs:
- A minimum of 5 years permanent residency in the UK
- Successfully complete SC security clearance.

We Value:
- Ability to achieve high performance
- Want continuous improvement
- Develop customer focus
- Able to work together
- Demonstrate self-awareness and confidence
- A passion for technical analysis, judgement and problem-solving.

Key responsibilities, duties and objectives:

To deliver the high standard of customer care to all visitors at all times; enthusiastically provide information and assistance to visitors throughout the visit, whilst also ensuring visitor safety at Edinburgh Castle, and ensure high standards of presentation and professionalism are maintained at all times.

You will work in three areas in the Castle:

Admissions

- Provide a world class welcome and direct visitors as appropriate upon their arrival at Edinburgh Castle
- Sell appropriate tickets and products to all walk up visitors
- Ensure all vehicles entering the castle and parking on the esplanade have the appropriate approval
- Ensure the security and safety of the visitor, whether arriving on foot, by bus or by car, and any other activity taking place on the esplanade throughout the day
- Ensure all group visitors to the castle are welcomed and their access into the castle is managed as efficiently and effectively as possible, providing additional information as appropriate
- Provide information on other Historic Environment Scotland sites and services available to visitors
- Process sales, while ensuring that all financial procedures are adhered to and carried out accurately and efficiently.

Guiding

- Welcome and assist visitors on their way around the castle
- Work on both indoor and outdoor posts throughout the castle
- Oversee the security, cleanliness and tidiness of the various apartments throughout opening hours
- Knowledge of Scottish history and the castle would be advantageous, although training will be given
- Additional duties may include driving our mobility vehicle.
Retail

- Carry out the daily operational duties of the shop as requested by the supervisor or retail management
- Maximise trading income through selling and upselling appropriate merchandise
- Process sales, whilst ensuring that all financial procedures are adhered to and carried out accurately and efficiently
- Ensure the correct pricing of stock
- Ensure the shop is well stocked and merchandise is appropriately displayed at all times
- Assist in the daily banking and cash conveyance as and when required
- Ensure that high standards of shop hygiene and housekeeping are maintained at all times.

You will spend the first three months in all three areas taking part in a thorough and detailed induction of the Castle, after which you will be placed in one area where you will stay for the remainder of the contract unless stated otherwise. At this point, the Modern Apprenticeship qualification will commence.

What will I learn?

You will undertake a Diploma in Cultural Venue Operations (SCQF Level 6) delivered by Rewards Training.

**Job Title:** Artisan Baker - Modern Apprenticeship

**Contract:** Permanent after trial

**Salary:** Modern Apprenticeship National Minimum Wage for the first year

**Employer:**
At the Breadwinner we’re passionate about baking. Since 1973 our master craftsmen bakers have been baking in Edinburgh - kneading and shaping dough by hand. We prefer to use traditional, simple methods and allow time to naturally enhance our products, rather than adding anything that would change the quality or flavour of our breads. We’re proud of our heritage - and work hard to supply breads, cakes and pastries that are locally made, freshly baked and full of flavour.

**Work Environment:**
You will be working in a small team within a busy wholesale artisan bakery at South Gyle.

**What might a day in this job look like?**

- Learn and apply food hygiene and safety practices, personal hygiene, equipment and work place cleaning, stock rotation systems, and the systematic and preventative approach of Hazard Analysis and Critical Control Point (HACCP) in food production process.
- Learn about the main ingredients used in baking and how to use and store them.
- Weigh ingredients according to recipes and calculate the amounts needed for a given yield (output).
- Follow recipes and processes for making baked goods.
- Use and clean specialised machinery (mixers, dough breaker, oven etc) after each use as required.
- Use specialist tools (rolling pin, piping bags etc) for producing products.
- Understand and conduct proper fermentation for yeasted products.
- Hand divide, shape breads and buns and baking goods.
- General cleaning of equipment and work place area as required.
- Reflective practice on all aspects of the job, while constantly striving to achieve high quality and regularity of products.

**What will I learn?**
You will complete a 3-4 year apprenticeship which will include practical on the job training working closely with some of the best bakers in Scotland. This training will be supplemented by SQA accredited SVQs.

**What Qualifications / Qualities are required?**

- Qualifications aren’t important – we are looking for someone who will be dedicated to learning the skills required to become a fully qualified baker.
- We are looking for a motivated young person with a passion for bread and baking who strives to achieve high standards and pays attention to detail.
- You should have good communication and problem-solving skills, be numerate, hardworking, organised and enjoy working in a team.

If you are successful in the first round of interviews, you may be invited along to spend some time in the bakery to see what working there would really be like.

**Closing Date:** This position will close when a suitable candidate has been found.

Job Title: Support Worker

Contract: Permanent / Relief

Salary: £8.75 per hour

Employer:
Blackwood Homes and Care was founded in 1972 by Dr Margaret Blackwood MBE, a campaigner for the rights and independence of disabled people. Dr Blackwood was awarded her MBE for her dedication to improving the lives of disabled people and bringing awareness to a lack of adapted homes. She was deeply committed to people being able to live independent lives and, following her work to improve their financial situation, set her sights on providing housing that was suitably designed for disabled people. We deliver our vision of helping people live their life to the full in the pioneering spirit of Dr Blackwood by providing high quality housing, care and support for disabled people of all ages, with over 1500 homes across all 29 mainland local authorities in Scotland. Blackwood currently have four care homes across the country and also provide care to people who live in their own homes.

Work Environment:
Blackwood provides high-quality, innovative care for the elderly and people living with physical disabilities and long-term conditions such as dementia and multiple sclerosis. Our Edinburgh Care at Home service operates across the city including Abbeyhill and Leith, Drumbrae, Clermiston and Corstorphine and Edinburgh South. Edinburgh Care Services consists of three teams with each team having a dedicated Team Leader.

What might a day in this job look like?
Our personalised care and support packages enable our customers to live independently and range from a few hours a week to several daily visits. Our Support Workers provide a wide variety of personal care tasks for our customers such as personal hygiene, dressing, medication prompts as well as light household chores. This role involves going out into the community and working individually or alongside another Support Worker (depending on the care visit) where you will visit our customers in their homes.

What will I learn?
- Funding available for SVQ Level 2 training after completion of probationary period
- Fully paid induction and training including moving and handling training and shadowing opportunities with our more experienced carers
- Communication, teamwork and the opportunity to gain a professional qualification within the Social Care sector.

What Qualifications / Qualities are required?
We are looking for someone who is open and honest, takes responsibility, can keep promises, has respect and understanding and can build trusting relationships.

Closing Date:
Ongoing recruitment.

**Job Title:** Personal Assistant

**Contract:** Full and part time opportunities available

**Salary:** £8.45 per hour

**Employer:**
ENABLE Scotland is a dynamic and vibrant organisation dedicated to improving the lives of people with learning disabilities and we have full and part time opportunities for you to support people in Scotland to make the most of their lives.

**Work Environment:**
We have various opportunities in Edinburgh, East Lothian and Midlothian to support people who have learning disabilities to live independently in their own homes or take part in activities we take for granted. And, who knows, it could make a difference to your life as well.

**What might a day in this job look like?**
Every day is different at ENABLE Scotland and your working day will depend entirely on the person you are supporting and no matter what you do, it will always be supporting that person to achieve their personal goals. So, one day you could be supporting someone to go swimming at the local leisure centre and the next you could be supporting them to achieve their goal of using public transport on their own. Some of our PAs even support people when they go on holiday which could be to the Isle of Arran or Lanzarote!

**What will I learn?**
What’s also great about ENABLE Scotland is that we believe in developing all our staff and provide an extensive training programme, combined with a commitment to create career development opportunities including SVQ Level 2

**What Qualifications / Qualities are required?**
You don’t need experience in care to start your career with ENABLE Scotland. We recruit people based on their values and transferrable skills. No matter where you have worked before; be it retail, admin, warehousing or wherever, we want to hear from you! Sound good so far?

Successful applicants will be able to demonstrate the following:

- The ability to adapt your communication style in order to develop successful and enjoyable relationships with the people we support.
- The commitment to work with individuals through their personal support plans to ensure people achieve their goals and outcomes and celebrate their successes.
- A positive and flexible outlook to your work, and be able to work on your own and as part of a team.
